## REFERENCES

As part of the cooperation, FULLBAX provides comprehensive services in establishing cooperation with suppliers and organizing imports from China.

Searching and verifying suppliers, organizing a stay, arranging a calendar of meetings, providing transport together with a Chinese-speaking employee (perfectly oriented on the local market) enables the optimal use of time.

FULLBAX provides control over the correctness of the production process and quantitative and qualitative verification of goods before loading the container at the supplier, as well as consolidation of deliveries in its own warehouse.

Each stage of the service is documented and made available online

We recommend FULLBAX as a solid and reliable business partner.
